Guideline Modifications

- On Monday, June 22nd the Secret Topic will be posted online on at: [http://ilc.hosa.org/Event-Info](http://ilc.hosa.org/Event-Info)
- Competitors will have 12 hours to view the topic and develop their poster in response to the topic.
- Competitors will be responsible for providing their own poster-board. If it is not possible for the competitor to obtain poster-board, it will be acceptable to use any size paper size 22" x 28" or smaller.
- The list of art supplies cannot be checked virtually, but competitors must still follow the rules regarding which art supplies can be used to develop the poster. If a judge questions the use of acceptable art supplies, points may not be awarded.
- After the poster is complete, competitors will take 1-3 photos of their poster to share with judges. The photos the competitors take are at their discretion, and should highlight the poster in the best possible way.
- Secondary and Postsecondary/Collegiate members will upload their poster photos to the Extemporaneous Health Poster event opportunity on Tallo - following the instructions outlined on the [HOSA/Tallo page](https://hosa.org/).
- Middle School members will upload their poster photos to [THIS LINK](#).
- All competitors must have their photos uploaded by 11:59pm CDT in order to be judged.
Technology Needs

- Competitors will need to upload their photos to Tallo (Secondary / Postsecondary / Collegiate) and Wufoo (Middle School) - a smartphone, tablet, or computer are needed to take the photos and upload.
- If you have any issues uploading, please call the CE Help Line immediately, during posted hours.
